

COUNTY OF YORK

MEMORANDUM

DATE: February 3, 2005 (BOS Mtg. 2/15/05)

TO: York County Board of Supervisors

FROM: James O. McReynolds, County Administrator

SUBJECT: VDOT Revenue Sharing Projects

Last year the Board authorized various adjustments in the funding levels for several existing Revenue Sharing Program accounts in order to accomplish the Grafton Drive-Burts Road right-of-way acquisition. The Virginia Department of Transportation (VDOT) has informed staff that because some of the requested fund transfers will move allocations between Primary and Secondary System routes, they must be requested through a formal resolution of the Board and must be approved by the Commonwealth Transportation Board. The two attached resolutions will formalize the County's request in accordance with VDOT procedures and will enable the Grafton Drive-Burts Road connector project to continue moving forward.

Adoption of proposed Resolutions R05-30 and R05-31 is recommended.
